Just see what you can get for your R500:

- **A smart "virtual office".**
  -A branded bag in which you can store your business tools and which can be taken on taxi's, busses, trains and to events.
- **100 Free cell phone starter packs – worth R1 000.**
  -As long as you do business and achieve your targets, you will continue to receive 100 free starter packs per month.
- **R100 in free airtime vending solutions.**
- **A Training manual.**
- **A branded bib, cap and T-shirt.**
- **Business tools such as posters with special offers to customers, and branding for your spaza or virtual office.**

HOW MUCH CAN YOU MAKE?

Business Profit Model	Daily Sales	Daily Profit	Monthly Profit	Per Year
Airtime Business in your Pocket	R500	R35	R1050	R12 600
Business SIM	Electricity and Funeral/House Insurance is the main opportunity, sell more than 20 sim's per month and earn bonus incentives.		R2 000	R24 000
Starter Packs	Activating 100,500 and 1000 starter packs earn you additional incentive bonus.		R400	R7 200
Payphones	Excluding the airtime, electricity, funeral & house insurance.		R500	R6 000
Payphone sales	Selling payphones to your customers, sell more than 10 per month and get paid bonus incentive		R1 000	R12 000
Contracts	Start earning bonus incentives if you activate more than 20 contractrs per month.		R1000 -Plus Incentive trips	R12 000
Hub- Business in your Pocket	This is where you build your own vendor base and sell stock to them via a Hub - need 10 active vendors		R1 000 -this is the minimum to qualify as agent	R12 000
Total potential Profit per R500 business Franchise "excluding incentive bonus" should average at R50 000, see each product profit models!				R50 000 - R80 000
